

CUSTOMER COMMUNICATION – NEW PRIME MOVERS

4th November 2011

Dear Customers

JETS Transport Express is pleased to announce we have taken delivery of three new prime movers.

These Kenworth, K200 prime movers are B Double and Road Train rated with a gross carrying mass of 97,000 kgs.

Operating in a B Double configuration, each prime mover will provide us with 50% more capacity.

The addition of these new prime movers to the JETS Transport Express fleet represents our on going commitment to providing our customers with a fleet of modern and reliable vehicles.

Images of our three new K200 can be seen on our website.

Regards

Rod Braganza
National Sales and Customer Service Manager
